

APPROVAL

It is certified by CoE Airplane Door Systems that the company

**LA Composite s.r.o.
Beranovych 65
19902 Praha 9 – Letnany
Czech Republic**

is qualified for following
SPECIAL PROCESSES
(according to AIRBUS definition)

**Manufacturing of composites parts and components
including assembling**

This qualification is granted under
the conditions defined in appendix 1
and is valid until 30th April, 2014

Donauwörth, 15.03.2012

Yvonne Wittke
Head of Quality Management

Bastian Osti
Quality Supply Chain Manager

APPENDIX 1

This Qualification is based on the following results:

La Composite is listed in the AIRBUS Manufacturing Site / Special Process Couple list.

The performance of the company is monitored by annual process audits.

The Qualification is subject to the following specific conditions:

The approval is dependent on the continued compliance with Eurocopter/AIRBUS Operations and other supplementary instructions issued by Eurocopter Group.

Restrictions:

Any changes or alterations under the terms of your ECD approval e.g. changes to your quality system, senior personnel, site location and any other approvals held must be notified immediately to Eurocopter Group. This approval may be withdrawn at any time at the discretion of Eurocopter Group and/or AIRBUS Operations.

APPENDIX 1

SPECIAL PROCESS:

Performed in accordance with the following AIRBUS documents:
